

## 2019 – 2020 Preschool Cheerleading Program FAQ's

### What is Preschool Cheerleading?

Preschool Cheerleading is a great introduction to the sport of cheerleading. Our littlest athletes will be focusing on coordination, balance, teamwork, following directions all while learning the basics of cheerleading. These tiny cheerleaders will work on learning motions, jumps and the primary tumbling skills, such as a forward roll and a cartwheel. Each Preschool team will learn a routine to perform in front of their favorite fans.

### What is Tiger Tots?

Our Tiger Tots team is designed for those athletes ages 18 months – 3 years old. Tiger Tots are paired with a buddy athlete to guide them through their practice. They spend the majority of their season learning skills they will need to perform a routine. Our staff will teach these tiny athletes to jump, hop, climb, and roll. Preschool dance songs will be played throughout the season to encourage our athletes to follow directions and feel comfortable with self-expression. These athletes will learn a short routine to perform at our year end Showcase in May.

### What is Cubs?

Our Cubs team is for those athletes who are able to follow directions independently. This team is made up of athletes ages 3 – 5 years old. These Cubs will learn spatial awareness, self-expression and develop their basic cheerleading skills. Our staff will also be teaching Cubs to jump, balance on 1 foot, and move and dance on cue. Cubs athletes will learn to master forward rolls and cartwheels as well as a competition routine to perform multiple times on a performance stage.

### When does Practice start? How often is practice?

The Preschool season will start the week of September 9<sup>th</sup>. Teams will practice 1 day/week for the duration of the season. Tiger Tots will practice for 30 minutes. Cubs will practice for 90 minutes.

### What performances will these teams attend?
